

Model Employers of People with Disabilities...

Collaboration

- Engage and network with community partners, other businesses, and state and national resources around disability inclusion

Diversity Policies and Practices

- Include strong disability, accessibility and accommodation processes, statements and groups for applicants, employees and suppliers

Education & Training

- Integrate disability awareness, etiquette, and interviewing education into onboarding and developmental programming for all employee levels

Branding

- Demonstrate inclusive and accessible advertising, social media, web, pictures, materials, stories, events, recognition, and affiliations

Recruitment Strategies

- Actively seek and hire candidates with disabilities through active participation
