

Mentoring for Young Adults with Disabilities

Partners for Youth with Disabilities hosts an online group mentoring program where young adults with a disability can connect with professional mentors and get help reaching their career goals.

- Open to any young person with a disability, age 18 and up
- Required to log in twice per week for 8-12 months to spend time connecting with career mentors
- Monthly webinars on various career-readiness topics
- Networking opportunities, resume feedback, & ongoing support
