

Volunteer as an Online Mentor

Partners for Youth with Disabilities hosts an online group mentoring program where young adults with a disability can connect with professional mentors and get help reaching their career goals.

Volunteer Details

- Open to any adult with professional experience, age 18 and up
- Required to log in twice per week for 12 months to spend time connecting with students with disabilities
- Must attend at least half of offered monthly webinars on various career-readiness topics
- Provide students with networking opportunities, resume feedback, & ongoing support
