

Advancing Disability Inclusion in the Workplace

Work Without Limits is a network of employers, educational institutions, employment service providers, and government agencies.

Through collaboration and partnership, our goal is to increase the employment of people with disabilities until it is equal to those without disabilities.

Work Without Limits programs and services are geared to meet the needs of businesses that actively recruit people with disabilities, individuals with disabilities who are seeking jobs, and the employment providers that serve them.

FOR BUSINESSES

DISABILITY: IN MASSACHUSETTS

An affiliate of the Disability:IN, Disability:IN Massachusetts is a consortium of employers committed to the inclusion of people with disabilities as employees, customers, and suppliers. Work Without Limits offers Disability:IN Massachusetts members opportunities to share best practices and build confidence and success when including people with disabilities in their workplaces.
