

## Is a PASS the right choice for Jeff?

Jeff wants to get a degree in Information Technology (IT). He has been accepted to Framingham State University.

Jeff lives alone in an apartment. He has \$1,000 in his personal bank account.

### What Jeff has:

- \$859            SSDI
- \$960            Work income

### Jeff's monthly expenses, which equals \$1,400:

- \$1,000        Rent
- \$85            Internet
- \$65            Phone
- \$50            Transportation
- \$50            Entertainment
- \$150          Food

### Jeff wants to set aside his SSDI and half of his work income each month to pay for the following expenses:

- School: tuition, fees, books, meals at school, etc.
- Transportation to and from school
- School supplies
- Tutoring
- Clothing
- Internet

## Is Jeff a good PASS candidate?
