6. Brief description of your company's diversity and inclusion initiatives, accolades, etc.:

Commitment to Diversity

Diversity, equity and inclusion across our multiple social identities benefit our entire community. When we work and learn with people who are different from us, we are more likely to solve problems creatively, enhance our critical thinking skills, and develop our strengths as teachers and as learners. Because our history and institutional goals are rooted in the pursuit of social justice, we include this value in all that we do.

7. Brief description of company culture:

A Vibrant Campus

The Brandeis campus is abuzz most days and evenings with performances, film screenings, guest speakers, sporting events, club meetings and other activities. You'll also want to check out the Rose, our world-class museum of contemporary and modern art. And if you're up for a short walk or drive during your lunch hour, our host city of Waltham is teeming with shops and restaurants that are the envy of foodies and boutique lovers everywhere.
