2. Company Overview: Description (overview of work, location/s, etc.):

The MIT community is driven by a shared purpose: to make a better world through education, research, and innovation. We are fun and quirky, elite but not elitist, inventive and artistic, obsessed with numbers, and welcoming to talented people regardless of where they come from.

Founded to accelerate the nation's industrial revolution, MIT is profoundly American. With ingenuity and drive, our graduates have invented fundamental technologies, launched new industries, and created millions of American jobs. At the same time, and without the slightest sense of contradiction, MIT is profoundly global. Our community gains tremendous strength as a magnet for talent from around the world. Through teaching, research, and innovation, MIT's exceptional community pursues its mission of service to the nation and the world.

Working at MIT offers opportunities, an environment, a culture – and benefits – that just aren't found together anywhere else. If you're curious, motivated, want to be part of a unique community, and help shape the future, join us in building a better world.

Over 12,000 people work at MIT. Our dynamic environment, distinct culture, and diverse community foster collaboration and excellence in every corner of the campus. We offer an extensive range of benefits and resources that simply aren't found together anywhere else. If you're ready to help us shape the future, there's a place at MIT for your unique skills, experience, and goals.
