**Total # of respondents:** 147

### COMMENTS:

**What did you like best about the training?**

- Resonated with my personal needs
- The speaker had a soothing voice
- Practical self-care tips
- Interactive activities

**What were the key takeaways from this session?**

- Innovate ways for inclusion
- All people with Autism are unique
- Stay calm, connect and be kind to myself and others
- Different perspectives bring added value to the workplace

**What could be done better?**

- Have the slides before the presentation
- Could have been longer with the amount of information surrounding neurodiversity

**Any additional feedback you would like to provide?**

- I would like to learn more about other neurodiversities outside of Autism
- This helped my peace of mind
