## COMMENTS:

What other disability-related information could you benefit from learning about?

Workplace accommodations

More on mental health

Autism

Maybe a definition of some different types of disabilities

What did you like best about the training?

Case studies and interaction throughout the webinar

Unique presentation format and style, good use of case studies

The real-life examples and actionable tips to put into practice

What were the key takeaways from this session?

Ask the person

Saying 'thank you for sharing that' when someone discloses

You don't bring up a person's disability in the interview

We all have biases and need to check them

What could be done better?

More time to ask questions

It felt too short

Any additional feedback you would like to provide?

Would love this to be mandatory for hiring managers
