

Company Profile

1. Company Name: Boston Children's Hospital
2. Company Website: www.bostonchildrens.org
3. Company Overview: Description (overview of work, location/s, etc.): Boston Children's Hospital is proud to be the #1 ranked pediatric hospital by U.S. News & World Report — for the 7th year in a row. We are also the largest pediatric institution in the country." We are a 404-bed comprehensive center for pediatric health care. As one of the largest pediatric medical centers in the United States, Boston Children's offers a complete range of health care services for children from birth through 21 years of age. We have a wide variety of job openings in nursing, research, customer service, administration, finance, allied health and other fields. Depending on the role, we have full time, part time and per diem opportunities. Our main campus is located in Boston, but we have satellite locations around the state.

Listing of Internship Opportunities: College internship postings from time to time are posted on our Careers page at www.bostonchildrens.org/careers. We recommend that you set up an account on our careers page so you can use our Save My Search feature. The Save my Search sends daily emails with opportunities. We typically see internships posted for the summer on our Careers site starting in January and beyond.

4. Listing of Regular Entry-level Positions: All openings can be viewed on our career site (www.bostonchildrens.org/careers). Some common entry level positions are: Clinical Assistant, Clinical Research Assistant, Research Assistant, Administrative Associate, Patient Experience Representative, Scheduling Coordinator, and Food Services Assistant. Additionally we have entry level positions in Allied Health that do require a license or certification.
