7. Brief description of your company's diversity and inclusion initiatives, accolades, etc.:

Dell's Neurodiversity (Autism) Hiring Program is designed to remove barriers that may limit an individual from fully showcasing their true capabilities and potential. The intent is to provide an alternative interview process, facilitate career readiness training, and offer possible fulltime career opportunities for neurodivergent job seekers. Should there be an interest in your profile, a Dell team member will reach out to you regarding the specifics of the program, offered roles, and next steps for the interview process.
