

# SSDI & Trial Work Period: Activity 1

## Scenario:

Juan receives \$1,500 a month in SSDI benefits. He begins working February 1, 2021 working 20 hours a week at \$14.25 per hour earning \$1,140 per month. This is his first job since being entitled to SSDI. In 2022, the TWP monthly threshold is \$970 per month. If he consistently grosses the same every month, when will his TWP start and end?
