What past Sponsors and Recruiting Employers say about this event:

"I thought it was an amazing event to genuinely offer opportunities to individuals who may experience challenges when seeking employment. The atmosphere was nothing short of welcoming and it felt like everyone was of a singular mind towards the goal."

--- MassMutual

"Wanted to share how pleased we were with the recent turnout at the Work Without Limits Career Fair! Throughout the event there was a steady flow of candidates, and the new platform was a positive experience! In fact, we had the most traffic to our booth that we have had yet; and candidates with viable skills and experience that I am looking forward to continuing to speak with in the days ahead!"
